

JScale CJ Series Mid-Sized Digital Scale

The CJ is a compact digital precision scale. It's very accurate & reliable (more than most other brands, [tests](#) showed it to be the same accuracy as the Ohaus Ruby/CS) but is not considered a "professional balance" scale like the My Weigh iBalance Series

There are 3 CJ Models:

CJ-300 (300g x 0.1g)

CJ-600 (600g x 0.1g)

CJ-4000 (4000g x 0.5g)

The CJ-300 and CJ-600 read in Grams, Ounces and Pennyweight. The CJ-4000 reads in Grams, Ounces and Pounds.

All CJ scales come complete with:

- **Stainless Steel Platform**

- Large, easy to read LCD display
- 3AAA Batteries included
- Soft-Touch rubber keypad
- Parts Counting Function
- Bowl with pouring spout
- 5-year warranty

Model	Modes	Capacity	Accuracy
CJ-300	Grams, Ounces, Pennyweight	300g, 10.6oz, 193dwt	0.1g, 0.005oz, 0.1dwt
